

ANDREW C. RUDAWSKY, MD, FAAEM

1213 SAINT CHARLES AVE • LAKEWOOD, OH 44224 • UNITED STATES
PHONE (614)-859-6817 • E-MAIL ARUDAWSKY@GMAIL.COM

EDUCATION

Summa Health – Akron City Hospital, Akron, Ohio
Emergency Medicine Residency Jun 2017

The University of Toledo College of Medicine, Toledo, Ohio
M.D. May 2014

The College of Wooster, Wooster, Ohio
B.A. in Chemistry – American Chemical Society Certified May 2009
Minor in Computer Science
Professor Paul A. Bonvallet, Research Advisor
GPA: 3.56; Dean's List; Graduated with Departmental Honors

EMPLOYMENT AND UNIVERSITY APPOINTMENTS

The Cleveland Clinic Foundation, Cleveland, Ohio
Associate Medical Director – Lutheran Hospital and Lakewood Family Health Center Emergency Departments Beginning Jan 2020

Associate Staff – Emergency Services Institute Jul 2017–Present
Board Certified Emergency Medicine

Northeast Ohio Medical University, Rootstown, Ohio
Clinical Instructor of Emergency Medicine Jul 2016–Present
Responsible for both lecture-based and bedside instruction of medical students as a clinical faculty member at Northeast Ohio Medical University.

LEADERSHIP

National Leadership

American Medical Association MSS Governing Council – Delegation Chair Jun 2013–Jun 2014
Elected to serve as the voice of the 49,000 medical student members of the AMA in the House of Delegates, the policy-making body of the AMA. Responsibilities include directing the efforts of medical student representatives in the HOD, overseeing the resolution review and authorship process, and serving as the liaison between the MSS and other physician sections. Additional Governing Council responsibilities include representing the AMA-MSS at multiple medical school events nationwide, overseeing the 11 national medical student committees, and conducting the daily business of the Medical Student Section.

American Medical Association Alternate Delegate Jun 2016–Present
Jun 2012–Jun 2013

Three-term elected member of the Ohio Delegation to the AMA representing the physicians of the State of Ohio. Responsibilities included carrying the concerns of Ohio students, residents, and physicians to the AMA, identifying real-world situations potentially addressed by creating new AMA policy, and communicating the proceedings of the meetings to Ohio State Medical Association (OSMA) members.

American Medical Association HOD Coordination Committee May 2011–Jun 2013
Team leader on the committee which helps student members of the House Of Delegates form a common and well-informed position on resolutions and reports presented to the AMA House of Delegates. Of note, I designed the almost 800 page document which is now used by medical students and several state medical societies in their preparations before each national meeting.

State Leadership, Ohio

Ohio State Medical Association Reference Committee Chair Apr 2019
Responsible for facilitating the discussion of resolutions presented at the OSMA Annual Meeting and authoring a report on those resolutions.

- Ohio State Medical Association Political Action Committee** **Apr 2015–Apr 2017**
Board of Directors member of the OSMA-PAC. Responsible for encouraging residents and physicians to take a more active and effective role in government affairs, understand the nature of their government, and the important political issues facing today's physicians. Additionally, I also represented residents and fellows in Ohio as a member of the Residents and Fellows Section Governing Council.
- Ohio State Medical Association MSS Governing Council** **Apr 2012–Apr 2013**
Two-term elected member of the five-person governing council which leads the Medical Student Section of the OSMA. Personal responsibilities included coordinating the advocacy efforts of all Ohio medical schools ahead of state and national medical association meetings. Of note, I helped organize the inaugural Medical Student State Advocacy day, where medical students from Ohio's medical schools met with state representatives to advocate for medical student and physician interests.
- The University of Toledo College of Medicine, Toledo, Ohio*
Delegate to the Ohio State Medical Association **Apr 2011–Apr 2012**
Helped shape Ohio's health-care policy by serving two terms as the University of Toledo College of Medicine delegate to the Ohio State Medical Association. Gave monthly presentations to Toledo students to increase the awareness of critical issues facing medicine.
- Emergency Medicine Club Research Coordinator** **Apr 2011–Apr 2012**
Elected officer of the Emergency Medicine Club. Served as a liaison between the faculty and student researchers in the Emergency Department.

RESEARCH EXPERIENCE

- The University of Toledo College of Medicine, Toledo, Ohio*
Research Assistant **May 2011–July 2011**
Worked for Dr. Catherine Marco in the Department of Emergency Medicine investigating aspects of communication associated with patient satisfaction in trauma patients who are in spinal immobilization, patient knowledge and compliance patterns in outpatient warfarin therapy, and the effectiveness of education intervention in patients with high blood pressure.
- The Ohio State University Medical Center, Columbus Ohio*
Research Assistant **May 2009–July 2010**
Conducted research under the direction of Dr. Daren Knoell in the Davis Heart and Lung Research Institute investigating the effect of nutritional zinc levels on the inflammatory response, with a specific focus on sepsis outcome in a mouse model of sepsis, primary human cell cultures, and observations of ICU patients.
- Metro High School Research Mentor** **Dec 2009–July 2010**
Helped two high school students design and conduct 10-week research projects while educating and exposing them to several laboratory techniques and the research process.
- The College of Wooster, Wooster, Ohio*
Senior Independent Study **Aug 2008–May 2009**
"Continued Progress Towards the Synthesis of a Crown-Ether Substituted Polymer for use in Organic Light Emitting Diode Displays: Synthesis of a Promising Oligomer and Optimization of Key Reactions"
-Awarded departmental honors.
- Howard Hughes Medical Institute Senior Research Mentor** **May 2008–July 2008**
"Progress Towards an Electrically Conductive Polymer for use in Organic Light Emitting Diode Displays"
- Howard Hughes Medical Institute Sophomore Researcher** **May 2007–July 2007**
"Investigating the Photophysical Properties of Sunscreen Active Ingredients"

AWARDS

Regional Emergency Medicine Physician of the Year , Cleveland Clinic Emergency Services Institute	2018
Peer-nominated award given to one emergency medicine physician annually for achievement in patient care, teaching, and teamwork.	
EMS Education Award , Summa Health Emergency Medicine Residency	2017
Awarded to one resident annually for dedication to EMS education.	
The Academy of Medicine of Toledo and Lucas County: Richard D. Ruppert Scholarship , The University of Toledo College of Medicine	2012
Scholarship awarded to medical students who demonstrate outstanding academic achievement, service, and leadership.	

PROFESSIONAL MEMBERSHIPS

- Fellow, American Academy of Emergency Medicine
- American Medical Association
- Ohio State Medical Association
- American College of Emergency Physicians
